St. Anne's Parish will host the Empire State Safety Council Defensive Driving Course on Saturday, May 24, 2025, in the school cafeteria from 9:15 AM to 3:15 PM.

Participants can save 10% on their car collision insurance rates for three years and potentially reduce four points on driving violations.

We recommend this course for new drivers and teenagers, not just for the insurance discounts but primarily for safety education

Please note that no certificate will be issued. The cost is \$25.00 per person.

Please make your \$45.00 check payable to the Knights of Columbus Council #11836 and either mail or drop it off at St. Anne's Rectory. Please mark the envelope Defensive Driving Class

It is essential to recognize that 70% of accidents are caused by texting while driving, and 40% are due to driving while intoxicated (DWI)

The lunch break will be from 12:00 PM to 12:30 PM, and free coffee and donuts will be available.

****IMPORTANT INFORMATION ****

The class will start promptly at 9:15 AM and end at 3:15 PM. Please make arrangements to ensure you arrive by 9:00 AM, as the Empire State Safety Council requires that all participants be in the classroom by 9:10 AM. Anyone arriving late will not be permitted to take the Defensive Driving Class!
